Where Tradition Meets Innovation

Northern Kentucky is comprised of Boone, Kenton, and Campbell counties and is centrally located where the north meets the south, and the Midwest meets the Southeast. We are a key part of the 15-county Greater Cincinnati region—a thriving metro with multiple Fortune 500 companies headquartered here; professional sports teams; major arts and cultural institutions; prominent public and private universities; a new modern streetcar line; and nationally-recognized restaurant, craft beer and live music scenes. We also celebrate our own identity around supportive communities, historic neighborhoods and Kentucky’s famous bourbon and horse culture. Connect with us and we’ll connect you throughout Greater Cincinnati and beyond.
